### John Coutis Excursion

All students and staff participated in a wonderful excursion to Woodburn PS yesterday to see motivational speaker John Coutis. Hopefully our students were sent home with aspirations to be their personal best, set goals and be brave about stepping out of their comfort zones. John talked to the students about how life is not always easy, but life is about 'our choices' - they were encouraged to make good ones! Both schools were thrilled by the new friendships that were made yesterday and by the way the students represented our schools. A big thank you to Woodburn PS for organising and hosting this event.

### International Teachers Day

Today is International Teachers' Day and is an opportunity to celebrate the wonderful work our teachers at Tregeagle Public School do every day. Teachers play an essential role in helping our students to be the best they can be. As dedicated professionals their care and encouragement can and does have a life-long effect on those that they teach. Highly skilled teachers are critical for providing the quality education that we provide at Tregeagle Public School. Through their daily work, our teachers make a huge contribution to

developing students' capacity and desire to learn. It is most fitting that a day is set aside to recognise their significant contribution to our children, to our families and our community.

### New School Phone Message

The school has put in place a new 'out of hours' phone message to reflect our school office operating hours. Please call between 8:45am and 4:15pm Monday to Friday. There is no facility to leave a message.

### Teacher Placement

We are pleased to announce that we have recently received permission from the Department to go to open merit advertisement (panel choice) for a classroom teacher position at Tregeagle PS. This will be completed this term.

### Congratulations to Kahn J

This week Kahn has been a team member of the PSSA State titles for Cricket at Barooga. This is a great achievement and we hope he has enjoyed the week.

Principal

### Uni-Bound

Students in Year 5/6ABC were lucky to have teachers and students from Southern Cross University come to Tregeagle this week as part of the Primary School Outreach Program. The program aims to introduce students to university, the things they can study and how these link to a wide range of careers. The students participated in hands-on activities that teach students about different courses and careers. Students looked at their own personal strengths and how these can inspire them to think about their future.

Debbie Andrews

### Auskick

During the week we had a representative from Auskick come to our school to inform students about the program and to hand out flyers. For more information you may contact Rous Public School.

## Let's L🍷K at Lunches

*Inspiration for fresh, fast & budget friendly lunchboxes  
from your local health service*

### Birthday Box

There are some great ideas for creating birthday lunchboxes - using cutters to make cake shaped sandwiches, use wrapping paper to wrap items or leaving birthday or fun notes in your child's lunchbox.

### Themes

Creating a themed lunchbox can be as easy as picking the first letter of your child's name, spelling their name, picking a colour or country, focusing on a shape or using a sports team's colours like these:

1. Yellow for Spring
2. Mexican
3. Traffic Light
4. Triangle Shape
