On this day students from a number of small schools in our area come together to be involved in a general knowledge quiz, involving fun and worthwhile learning experiences. Questions will support the different learning areas and also involve some trivia knowledge. The day will be held at **Ballina Primary School** from 9.45am-1:30pm. Thank you to those students who have already returned their notes.

A lot of fun was had as many families and local community members joined in challenges which included a trip to a light house, a rainforest, running through a maze, a visit to a train station and hitting golf balls. Some teams were even lucky enough to pay a visit to the lock up. A huge thank you to Sarah, Niki, Kellie and everyone involved in the planning to make this day a success. To the many businesses and private sponsors who continuously support our school and students, we can not thank you enough. To everyone who joined in, thanks for coming along for a super fun day out!
