Sports Report

Leadership in Sport

Stage 3 students had a wonderful day today learning how to play new sports, learning how to lead groups and demonstrating their teamwork skills. It was a pleasure to take such a polite, enthusiastic bunch of students. Stage 3 is looking forward to our weekly fitness sessions which will begin in the coming weeks.

P.S.S.A Zone Cricket Trials

Good luck to Hollie, Tuscany and Kahn who travel to Sawtell next Monday to compete in the Regional Cricket trials. We have our fingers crossed for you!

Peer Support

Last week was the first week of Peer Support for the students at Tregeagle Public School. It was wonderful to see the Year 6 leaders so confident and prepared. Students from K-5 engaged in games, mini lessons and discussions about communication and team building. We look forward to our weekly Friday sessions, for the remainder of the term.

Kadina High School Activity Day

Thank you to those students who came to Kadina High School on Tuesday to participate in the Activity Day. It was an excellent day and gave our stage 3 students a taste of the high school experience. Students engaged in lessons in science, maths, drama, PDHPE and agriculture. All students enjoyed the experience and can't wait to complete their transition days closer to the end of the year.

PSSA Zone Swimming Carnival

I was lucky enough to attend the PSSA Zone Swimming Carnival yesterday with 12 students from Tregeagle Public School. All students performed amazingly and represented our school with such pride and commitment. Every student from Tregeagle should feel very proud as they swam beautifully. A big congratulations goes out to Mary G, who has made it on to the next level. Mary will travel to Murwillumbah next Wednesday to compete in a variety of races. We wish her all the best of luck.

Let's L K at Lunches

from your local health service*

A lunchbox for each day of the week

This fortnight we have lunchbox ideas for each day of the week. With a little planning & preparation, these should be super simple. Be sure to click on the recipes & remember to get the kids to help!

Monthly Mission...

Our March mission continues. Get organised, & get the whole family involved in planning & creating lunchbox foods. We guarantee it will save you time & money! Below are some tips to help.

YOUR MISSION

Get organised

Write a shopping list and get foods prepared on a weekend so healthy options are easy lunchbox options when life becomes busy throughout the week

Tip 1: pack the same foods on alternate days - this offers variety without having something different every day! See how we've done this in the lunchboxes below.

Tip 2: use your freezer! Freeze individual serves of lunchbox foods ready to pack each morning.

Tip 3: make a bit extra on Sunday night for dinner & Mondays lunch is done! Leftovers have been used in both Monday & Thursdays lunchboxes.

Tip 4: make up serves of the same foods & store. The required 3 survival packs, 5 veggie snacks, a boiled egg & the cheese cubes can be made on Sunday ready for the week.

Our school is participating in the Coles Sports for Schools 2018 again this year.

The program started on 7 February so start collecting the vouchers from all Coles stores and Coles Express stores. You can also collect electronic Coles sports for Schools vouchers when you shop at Coles Online.

So start collecting and bring them to school to the box in the office.
