### Tregeagle Public School ANZAC Day Ceremony – Friday 13 April 9.30am

Our school ANZAC Day ceremony will be held at school on Friday 13 April starting at 9.30am. Everyone is welcome and encouraged to attend from our school community. Students are encouraged to bring in fresh flowers from their garden on Thursday (12 April) to include in the wreaths for their class.

### ANZAC Day March – Lismore – Wednesday 25 April

As in past years, Tregeagle Public School will be marching in the Lismore ANZAC Day March on Wednesday 25 April. The details of times are:

**08:30am** Meet at the Browns Creek Car Park (bottom end of Molesworth Street, near Harvey Norman)

**09:00am** March off for the ANZAC Day Commemorative and wreath laying service at the memorial Baths Molesworth Street.

All children will need to be in full school uniform and wearing a hat.

### Library – Return all books

As next week is the last week of Term 1 could students please return all library books in readiness for the holiday break.

### School Hats

It is a PBL expectation that every student will bring a school hat to school every day to wear during all play times (even if students are playing undercover), during fitness and when they are participating in sports lessons. Please ensure that your child/ren has a labelled hat available every day. We do not allow students to borrow spare hats.

### School Hours

School hours at Tregeagle Public School are between 9.15am and 3.15pm. Please ensure that your child/ren are not at school before 8.45am or after 3.45pm for supervision and safety purposes. Thank you for your support.

### iPads, iPods and other devices at School

All student devices including iPads, tablets, iPods etc, are not to be brought into school. *If phones need to be transported through school, these need to be handed into the office in the morning and collected after school.* Thank you for your co-operation in this matter.

### Year 6 Kindergarten Buddies

It has been absolutely lovely to watch the Year 6 students with their Kindergarten buddies blossom throughout Term One. The Year 6 students have enjoyed supporting the Kindergarten students to learn playground games like handball, cricket and soccer and to support them with learning in the classroom.

Principal

### Zone Hockey Trials

Congratulations to Hollie, Ella & Tarni who all scored themselves a place in the Northern Rivers Hockey team last Thursday. We can't wait to see how you go at the Regional Trials early next term.

### Zone Soccer Trials

Good luck to Mary, Tuscany & Hollie who travel to Lismore tomorrow to compete for a place in the Northern Rivers Zone Girls football team. We wish you all the best of luck!

### Stage 3 Excursion: Sunshine Coast/Brisbane

This year's 5/6 excursion has been booked! In term 4, stage 3 will travel to Sunshine/Brisbane. Students will enjoy spending time at iconic Brisbane landmarks before travelling to see exciting locations at the Sunshine Coast, including a night at Underwater World! Thank you to those families who have already returned their permission notes and the \$50 deposit. Just a reminder that the second excursion instalment is due at the end of next week.

### Peer Support

Tomorrow marks the last week of our Peer Support program and many students are expressing how much fun it is each week engaging with their year 6 leaders and other children from the school. In Week 11, students will enjoy a teddy bear's picnic in their Peer Support groups at lunchtime. Year 6 leaders will bring rugs/blankets for their group to sit on. All other students can bring a small teddy or toy to help celebrate their achievements in Peer Support that term. Students should bring their own lunch to eat on this day.

## Term 1 in KS

We like to practise our reading in the reading tent. Look at us doing crisp-pointing.

We are learning to form our letters correctly and how to write lots of words.

In maths we use lots of 'hands on' objects to help us with our learning of number concepts.

We are taking turns when playing Go-Fish.

We play Around the World using dice to practise identifying dots on a dice quickly and the number after a given number.

We are learning the concept of the numbers 1-10 and how to write the numbers correctly.
