SCU Science and Engineering Winners!

On Monday, Mrs Fletcher and a team of Tregeagle PS Year 6 students joined forces with other Southern Cross Community of Small Schools students to participate in a Science and Engineering Challenge at Southern Cross University. The students participated in a number of hands on challenges that involved maths, science, technology and engineering and at the end of the day, celebrated as they were announced the winners! I congratulate the students involved for their creative and critical thinking and the leadership they displayed on the day. Hopefully a future at university awaits!

Semester One Reports

Semester one reports will go home with students on Monday 2 June 2018. Keep an eye out for a large white envelope in your child's bag. It is great to discuss your child's report with them and to plan for learning goals for semester two. Reports compare students to their like peers across the state against syllabus outcomes. Remember if your child achieves a *sound* result, it means that they have achieved the syllabus outcomes for their stage and that is great! What we are interested in at Tregeagle PS is every student making positive growth and improvements. All students learn at a different pace and have strengths in different areas and this is to be celebrated.

Parent Teacher Interviews

Parent teacher interviews will be held on **Tuesday 3 & Wednesday 4 July between 3.30 & 6.00pm**. Bookings are to be made via the School Interviews website. This booking system provides a quick & easy way for parents to secure timeslots of their choice. If you need any assistance with making a booking, please contact Mrs Benson in the front office.

Tregeagle Athletics Carnival

The day started with a chance of being washed out however the rain stayed away. The day went off without a hitch and fun was had by all. A big thank you goes out to all the parents who attended on the day and made it such a memorable event. Thank you to Sarah and Kelly who ran the canteen for the day. The students really appreciate the time and commitment you put into them. All ribbons and age champion medals will be given out at the assembly on Friday. Please feel free to come along and congratulate the students on their amazing achievements.
