## Hockey Success!

We congratulate Hollie M on her recent selection to represent in the NSWPSA State Hockey team. She should be so proud of this massive achievement and this is the result of years of hard work, perseverance and training. Hollie will now play in the School Sport Australia 12/U Championships in Newcastle in August. As a school we would like to support Hollie's achievements and are selling NSWPSA raffle tickets to help cover the cost of the team levy. Tickets are for sale from the office for \$5 each and there are massive prizes up for grabs including an ipad, fitbit and sony speakers.

### Mrs BC – Best Wishes from your Tregeagle PS Family

We would like to wish you all the very best in this exciting chapter of your life. We can't wait to meet your new little bundle of joy in the near future. Mrs Andrews and 5/6 will have a great time learning during Semester two!

### River Rock Musical

On Thursday 2 August (Week 2 Term 3), Tregeagle students from Year 3-6 will be travelling to Lismore Workers Club to watch the matinee Performance of River Rock 'This is Our Town' musical. River Rock is a show about embracing people's differences and understanding that it is our collective individuality that forms the rich and textured fabric of our community. The show's cast and crew come entirely from our local Rivers College schools and the show is written by Brian Wappett. **The cost per student is \$3 to cover the bus and permission notes need to be returned asap.**

### Junior Landcare

The next Junior Landcare Meeting will be on Monday 30 July at 4pm in the KS classroom. Everyone is encouraged and welcome to come along.

### NCCD (Nationally Consistent Collection of Data) on School Students with Disability

All Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the *Disability Discrimination Act 1992* and *Disability Standards for Education 2005*. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability. The data provided to the Australian Government by the NSW Department of Education is provided in such a way that it cannot be used to identify any individual student or school.

General information about the national data collection can be found on the Australian Government Department of Education and Training [website at https://www.education.gov.au/what-nationally-consistent-collection-data-school-students-disability](https://www.education.gov.au/what-nationally-consistent-collection-data-school-students-disability)

### NAIDOC 2018

Next week, Australia will celebrate NAIDOC week from the 8-15 July 2018. This year's theme is 'Because of her, we can' and this theme celebrates the essential role that women have played - and continue to play - as active and significant role models at the community, local, state and national levels. This year Tregeagle PS will celebrate NAIDOC at the beginning of Term 3. We wish everyone an awesome NAIDOC week!

## Sports Report

### State Hockey Trials

Congratulations to Hollie who played at the Girls Hockey NSW State Titles last week. Hollie represented our region as the captain of the team and played tremendously well. Hollie was selected in the NSW State team and will now travel to Newcastle next term to play at the National Titles! An amazing achievement!

### Girls' Soccer Team

Congratulations to our girls' soccer team who played Yamba PS in Round 4 of the State Knockout competition. The girls played in windy conditions, dominating play throughout the game. We slotted in 2 spectacular team goals to win 2-0. I look forward to hearing how they go next term when they play Dunoon District. Good luck girls!

A huge thank you to any parent/community member who supported on the day by assisting with transport, washing of uniforms and cheering them on. Your support is invaluable!

### Thank you!

I wanted to take a minute to say a special thank you to our fantastic Tregeagle community for your support, advice and generosity over the past 5 years, but specifically in the last 6 months. It has been truly special to educate your children and engage with our wonderful families here at this school. I have loved every moment and will truly cherish my memories at Tregeagle. I look forward to this new chapter in my life and can't wait to share this experience with you in the near future.

A special thank you must go to the P&C and staff. It's not hard to come to work when you are supported in everything you do!

Finally, I want to wish my beautiful students in 5/6BC all the best for the rest of 2018 and into the future. I can't wait to see how you evolve over the coming years as Year 6 leaders and at high school. I feel very blessed to have watched you grow into amazing people, each with your own special talents. Congratulations on everything you have achieved so far and keep pushing yourselves each day!
