Behaviour Code for Students

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students. In NSW public schools students are expected to:

- Respect other students, their teachers and school staff and community members.
- Follow school and class rules and follow the directions of their teachers.
- Strive for the highest standards in learning.
- Respect all members of the school community and show courtesy to all students, teachers and community members.
- Resolve conflict respectfully, calmly and fairly.
- Comply with the school's uniform policy or dress code.
- Attend school every day (unless legally excused).
- Respect all property.
- Not be violent or bring weapons, illegal drugs, alcohol or tobacco into our schools.
- Not bully, harass, intimidate or discriminate against anyone in our schools.

Schools take strong action in response to behaviour that is detrimental to self or others or to the achievement of high quality teaching and learning.

Promoting the learning, wellbeing and safety of all students in NSW Public Schools is a high priority for the Department of Education. We implement teaching and learning approaches to support the development of skills needed by students to meet our high standards for respectful, safe and engaged behaviour.

Vegies in the Lunchbox

Pack veggie sticks for Crunch & Sip or make savoury pikelets/pancakes/muffins that are filled with vegies. Check out this recipe for [hulk fritters](#).... yummy, easy finger food. To minimise waste - use the same vegetables (in this case peas) in family meals. Here also is a [Pea Pesto Pasta](#).

Other vegies in season include: artichokes, Asian greens, asparagus, beans, beetroot, broccoli, capsicum, cauliflower, celery, cucumbers, lettuce, peas, spinach, sweet corn.
